PRINT THIS PAGE AND KEEP IT SOMEWHERE VISIBLE

SET UP DOCUMENTATION SYSTEM

- ☐ **Set Up Documentation System:** Create a single dedicated folder for your entire warranty claim and place every document, photo, and record into it immediately from day one.
- ☐ **Set Up Documentation System:** Build a seven-subfolder structure inside your main folder to organize proof of purchase, model/serial info, call logs, photos, technician visits, correspondence, and repair orders.
- ☐ **Set Up Documentation System:** Log every phone call using the template format including date, time, representative name, employee ID, reference number, call summary, and agreed next steps.
- ☐ **Set Up Documentation System:** Photograph the appliance nameplate showing model and serial numbers, plus any visible damage like standing water, failed components, or error codes on the display.

KNOW YOUR LEGAL RIGHTS

- ☐ **Know Your Legal Rights:** Reference the Magnuson-Moss Warranty Act during calls with representatives to signal that you understand federal law protects your right to timely defect repairs.
- ☐ **Know Your Legal Rights:** Apply the three-failure rule by demanding a full replacement when the same appliance fails the same way three or more times within the warranty period.
- ☐ **Know Your Legal Rights:** Contact your credit card issuer to initiate a chargeback claim if the manufacturer refuses repair or replacement and the purchase was made within 120 days.
- ☐ **Know Your Legal Rights:** File a complaint with your state's Attorney General consumer protection office when the manufacturer has violated warranty obligations or engaged in deceptive claims practices.

ESCALATE WHEN CLAIMS STALL

- ☐ **Escalate When Claims Stall:** Request a supervisor or manager by name during every phone call and document whether one was provided, their name, and what resolution they offered.
 - ☐ **Escalate When Claims Stall:** Send all written correspondence via email with read receipts and postal mail with return receipt requested so you have proof the manufacturer received your demands.
 - ☐ **Escalate When Claims Stall:** Contact executive customer relations offices using publicly available executive contact information when front-line representatives have failed to resolve your claim within two weeks.
 - ☐ **Escalate When Claims Stall:** File complaints with the Better Business Bureau and the Consumer Product Safety Commission to create public records that increase pressure on the manufacturer to resolve your case.
