

Cat Litter Box Solutions V1 — Action Checklist

GENERATED May 13, 2026 | Print this page and keep it somewhere visible

- ☐ Find the cause. Fix the problem. Keep your cat home.
- ☐ This guide is for cat owners dealing with litter box avoidance — cats urinating outside th...
- ☐ It is also for new cat owners who want to set up the right system from day one and avoid t...
- ☐ Work through the sections in order. Do not skip to the behavioral fixes until you have rul...
- ☐ The checklist at the end of this guide summarizes the diagnostic steps. Keep it on your re...
- ☐ Litter box avoidance that looks behavioral is often medical. A cat with a urinary tract in...
- ☐ Do not wait. If you see any of the following, book a vet appointment today:. Straining to ...
- ☐ These are pain signals. Your cat is telling you something is wrong.
- ☐ A urinalysis (checks for infection, crystals, blood)
- ☐ A full blood panel (rules out kidney disease, diabetes, hyperthyroidism)
- ☐ A bladder palpation (checks for painful distension indicating FLUTD)
- ☐ Do not accept "it's probably behavioral" without the above tests being run....
